A. Overview of Information Collection

Title of Information Collection: Condominium Project Approval Document Collection.

OMB Approval Number: 2502-New.

Type of Request: New collection.

Form Number: 92544, 92541, 93201, 935.2c.

Description of the need for the information and proposed use: The Housing and Economic Recovery Act of 2008 (HERA) moves the insurance of a single unit condominium from Section 234 to Section 203 of the National Housing Act (NHA). This change requires that HUD establish new regulations for condominium project and unit approval. To approve a project and/or insure a unit within an FHA approved project, certain documentation and data are required for review and approval or denial. Currently, a collection specific to condominium project and unit approval does not exist. Therefore, establishment of a specific collection item is appropriate. Further, the information collected will be used for performance, risk, trend and other analyses.

Respondents (i.e. affected public): Occasion.

Estimated Annual Reporting and Recordkeeping Burden: The number of burden hours is 45,000. The number of respondents is 30,000, the number of responses is 15,000, the frequency of response is on occasion, and the burden hour per response is 3.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. HUD encourages interested parties to submit comment in response to these questions.

C. Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.
